# CANS CAUSE

Vinnie's

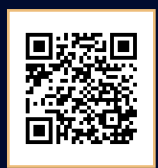

**Many families are going without food every day because they simply can't afford the basics.**

**Cans 4 Cause** is an initiative by Flashpoint Design and Marketing, in collaboration with St. Vincent de Pauls (Vinnie's) of Hamilton to help play our part in helping those in need in our communities by donating cans for charity.

For the month of March, the more design and print we do, the more we donate. Simple as that! *See online for further information.*

**So spread the word and let's make a difference.
